

PURCHASE CHILDREN'S CENTER  
ENRICHMENT AND PROGRAM

2017 - 2018

Session I (Sept. 19<sup>th</sup> – Dec. 1<sup>st</sup>)

Programs for children ages 3, 4, and 5

**LOTTERY FOR REGISTRATION WILL BE HELD ON  
FRI., MAY 12, 2017 AT 9:00AM IN THE PCC OFFICE**

**Happy Feet Soccer** – Children learn fundamental soccer skills; improve their balance, coordination and agility while getting a great physical workout. Children progress at their own pace with tremendous skill acquisition in a very short period of time.

**Cooking With Class -Li'l' Cooks** - Cooking with Class features the art of cooking intertwined with math, science, language arts, and more. This program is developmentally appropriate for children in preschool and includes unique cooking themes, stories, craft activities, and lots of fun!

**Science = Fun** - This eight week comprehensive class will expose children to all aspects of science processing skills. Each child will learn to approach situations using scientific methods. Observation, classification, measurement, prediction, and communication will be explored using paint, ooey-goey liquids, colorful solids, and fun project oriented experiments. At the end of the eight weeks, each child will also complete his/her own science notebook to take home.

**Art - Sculpting** – Sculpture is three-dimensional artwork created by shaping or combining materials. Materials may be assembled by shaping, gluing, or hardened- such as drying. Our sculpture lessons include forming, gluing, molding, building and more. The children will make use of materials such as clay, wood, paper, tape, foam and more.

**Math & Manipulatives:** Children will explore, organize and manipulate materials as well as communicate mathematical thinking with the instructor. The skills will include number concepts, patterns and relationships, geometry and spatial sense, measurement and data collection, organization and representation.
