

PURCHASE CHILDREN'S CENTER ENRICHMENT PROGRAMS

2018 – 2019

Session II (December 10th – March 1st)
Programs for children ages 3, 4, and 5

**LOTTERY FOR REGISTRATION WILL BE HELD ON
WEDNESDAY, NOV. 28TH AT 9:00AM IN THE PCC OFFICE**

Happy Feet Soccer – Children learn fundamental soccer skills; improve their balance, coordination and agility while getting a great physical workout. Children progress at their own pace with tremendous skill acquisition in a very short period of time.

Cooking With Class Lil' Cooks - Cooking With Class features the art of cooking intertwined with math, science, language arts, and more. This program is developmentally appropriate for children in preschool and includes unique cooking themes, stories, craft activities, and lots of fun!

Science = Fun - This eight week comprehensive class will expose children to all aspects of science processing skills. Each child will learn to approach situations using scientific methods. Observation, classification, measurement, prediction, and communication will be explored using paint, ooey-goey liquids, colorful solids, and fun project oriented experiments.

Art – Canned Band - Explore the world of art and music. The children will make a collection of instruments using a variety of tools and materials. After designing and embellishing their instruments, the children will be able to play them loudly, softly and march with the band.

Math & Manipulatives: Children will explore, organize and manipulate materials as well as communicate mathematical thinking with the instructor. The skills will include number concepts, patterns and relationships, geometry and spatial sense, measurement and data collection, organization and representation.
