2018 - 2019

Session III (March 11th – May 13th)

**LOTTERY FOR REGISTRATION WILL BE HELD ON
WEDNESDAY, FEBRUARY 27TH AT 9:00AM IN THE PCC OFFICE**

EXCITING NEW PROGRAM FOR MONDAYS!

Happy Fit Fitness, Sports & Fun – This program provides children with an introduction to a range of wonderful sports. Muscles get worked, gross motor skills improve as does overall fitness strength. Children will learn key sports skills, discover new found self-confidence and get an amazing fitness workout.

Cooking With Class -Lil' Cooks - Cooking with Class features the art of cooking intertwined with math, science, language arts, and more. This program is developmentally appropriate for children in preschool and includes unique cooking themes, stories, craft activities, and lots of fun!

Science = Fun - This comprehensive class will expose children to all aspects of science processing skills. Each child will learn to approach situations using scientific methods. Observation, classification, measurement, prediction, and communication will be explored using paint, ooey-goey liquids, colorful solids, and fun project oriented experiments. At the end of the eight weeks, each child will also complete his/her own science notebook to take home.

Handprint / Fingerprint Art - Your child will create art work by tracing or dipping their hand and/or fingers which will capture his/her small hand for a moment in time. In addition they will create a “handbook” by dictating a story to accompany their artwork.

Math & Manipulatives: Children will explore, organize and manipulate materials as well as communicate mathematical thinking with the instructor. The skills will include number concepts, patterns and relationships, geometry and spatial sense, measurement and data collection, organization and representation.
