September 2022

Dear Parents,

We are happy to announce that our 8-week Enrichment Classes will begin on Monday, October 3, 2022. Each enrichment class will be conducted only with the children in their regular class.

In order for us to conduct a variety of Enrichment Programs the actual class time will be 45 minutes.

On the back, is a sign-up sheet for the Enrichment Classes. This form is due back no later than Wednesday, September 28. We will need a minimum of 4 children to run a class and will be limiting the class size to 12 children, with the exception of Happy Fit. If more than 12 students submit a registration form by the deadline, we will hold a lottery for the class. You will be notified of your status by Friday, September 30.

You can attach a check made payable to The Purchase Children's Center with the registration form or we will bill you for the class.

If you have any questions, please call 914-949-2636.

Thank you,

Barbara
